**Summary of Benefits and Coverage:** What this Plan Covers & What You Pay For Covered Services

**Coverage Period:** Beginning on or after 10/01/2019  
**Coverage for:** Individual/Family | **Plan Type:** HSA

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.bluecrossmn.com/mnservcoop](http://www.bluecrossmn.com/mnservcoop) or call toll-free 1-866-537-7702. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary.

You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call toll-free 1-866-537-7702 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <a href="#">deductible</a> ?	\$2,700 individual medical and drug combined Network and Out-of-Network \$5,400 family medical and drug combined Network and Out-of-Network	Generally, you must pay all the costs up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. This <a href="#">plan</a> has an embedded <a href="#">deductible</a> . The plan begins paying benefits that require cost sharing for the first family member who meets the per-person <a href="#">deductible</a> . The family <a href="#">deductible</a> must then be met by one or more of the remaining family members and then the <a href="#">plan</a> pays benefits for all covered family members.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Well-child care, prenatal care and Network <a href="#">Preventive care</a> services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there "other" <a href="#">deductibles</a> for specific services?	No	You don't have to meet <a href="#">deductibles</a> for specific services.

<b>What is the <a href="#">out-of-pocket limit</a> for this plan?</b>	\$2,700 individual medical and drug Network \$5,400 family medical and drug Network \$3,500 individual medical and drug Out-of-Network \$6,500 family medical and drug Out-of-Network	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance-billed</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="https://www.bluecrossmnonline.com/find-a-doctor/#/home">https://www.bluecrossmnonline.com/find-a-doctor/#/home</a> or call toll-free 1-866-537-7702 for a list of <a href="#">Network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
