Accidents: Students should report all accidents to the staff if they are injured in the classroom, the school building, or school grounds. If medical attention is needed, parents/guardians will be notified. All incidents will be documented by completing an accident report. The school does not provide accident insurance plans for students.

ALC Commitment: Prior to enrollment at the ALC, students, parents, district representative, and ALC staff will hold a meeting to review student progress, student needs, concerns, and ALC expectations. Students must be considered to be "at-risk for graduating" by their home district to be eligible for ALC enrollment. Further information regarding about being "at-risk" can be obtained by your home district counselors. When the team reviews individual student needs and determines the needs exceed the resources and services available at the ALC, the student will be denied enrollment and alternative options will be pursued.

Periodically, students will be given opportunities to meet with staff to review progress toward earning credit for graduation, as well as overall success at the ALC. Specifically, the staff will review and provide feedback on the following: continual learning plan, academic progress (passing classes), attitude (following school expectations), and attendance (attending at least 90% of the time).

Assessments: Based on MN guidelines, assessments required for students in grades 6-12 will be administered at the Area Learning Center.

Attendance/Tuancy: Attending on a regular basis promotes academic growth and employability readiness. We recognize students with 90-100% attendance. The attendance policy will be in effect for this school year. In accordance with all applicable state and federal statutes, regulations and the school board's policy, all students must attend school according to their continual learning plan. If a student is absent for any reason, the student's parent/guardian must verify the absence, regardless of the student's age, in accordance with the following procedure:

- Parents/guardians are requested to call the school by 8:30 AM (256-7836) on days their child is absent. Messages can be left with the office. If the call has not been made, the school will attempt to contact parent/guardian; resulting in most situations as an unexcused absence.

Categories of Absences

All absences are either "excused" or "unexcused". 15 consecutive days absent will result in the student no longer being actively enrolled in the Area Learning Center. A district meeting will be required to re-enroll. A designated staff or the school principal has discretion to determine whether an absence is excused or unexcused. All students are expected to complete coursework missed due to absence.

Excused Absences: In order for an absence to qualify as "excused" it must fit into one or more of the following categories and be approved by designated staff:

1. Illness/injury: any absence due to a student's legitimate illness or injury is excused. The designated staff has the sole discretion to require a doctor's note verifying the need for the absence before designating any absence as excused due to illness/injury.
2. School Sponsored Activities: For purposes of the attendance policy, school sponsored activities are activities approved and sponsored by the school district including activities such as but not limited to field trips, service learning projects, or extra curricular activities. Student participation in

these types of activities is a privilege, not a right. It is the responsibility of the student to check with his or her teachers regarding assigned work and completing it according to expectations.

3. Family Emergencies: For purposes of the attendance policy, family emergencies include serious, unavoidable events that require the student's absence from school. Examples of family emergencies include funerals for family members and visiting immediate family members (such as parents, grandparents, siblings) in the hospital.
4. Family Trips: Absences due to family trips may be excused if the student and parent meet all of the following requirements;
 - a. requests for absences due to family trips must be made at least 3 school days before the trip is to begin. The request must be signed by the student's parent/guardian, and include a brief description of the purpose of the trip (ie hunting trip, family vacation...)
 - b. The student must be passing all classes at the time of the request.
 - c. Failure to meet one or more of these requirements will result in the absence for a family trip being classified as "unexcused".
 - d. Students may be entitled up to a total of 10 excused absences for family trips each year. In A review of the student's current and past attendance record will assist in determining approval or denial for granting family trip as "excused"
5. Dental, Medical or Court Ordered Appointments: Any absence due to a student's legitimate dental, medical, or court ordered appointment is excused; note from appointment is encouraged and will be required if truancy has been previously filed.
6. Religion: Any absence due to a student's religious observance is excused; not to exceed 3 hours per week.
7. Other Absences: Any absence not covered in categories 1-6 will be determined by the building principal as either excused or unexcused.

Unexcused Absences

An "unexcused" absence occurs when the absence has not been identified as an "excused absence" according to the above criteria. Discussions, group interaction, and class participation cannot be "made up" after an absence. When a student is absent, he or she may lose daily points and grades may be affected. Whenever a student receives an "unexcused absence," the guidelines of resident county truancy mediation program is followed.

Continuing Truant

"Continuing Truant" refers to a child who is subject to the compulsory instruction requirements for section 120A.22 and is absent from instruction in a school, as defined in section 120A.05, without valid excuse within a single school year for three or more class periods on three days if the child is in middle school or high school. Upon a child's initial classification as a "continuing truant," the school attendance officer or other designated school official shall notify the child's parent or legal guardian, by first-class mail or other reasonable means, of the following:

1. That the child is truant;
2. That the parent or guardian should notify the school if there is a valid excuse for the child's absences;
3. That the parent or guardian is obligated to compel the attendance of the child at school pursuant to section 120A.22 and parents or guardians who fail to meet this obligation may be subject to prosecution under section 120A.34;
4. That this notification serves as the notification required by section 120A.34;
5. That alternative education programs and services may be available in the district;

6. That the parent or guardian has the right to meet with appropriate school personnel the discuss solutions to the child's truancy;
7. That if the child continues to be truant, the parent and child may be subject to juvenile court proceedings under chapter 260C;
8. That if the child is subject to juvenile court proceedings, the child may be subject to suspension, restriction, or delay of the child's driving privilege pursuant to section 260C.201; and
9. That it is recommended that the parent or guardian accompany the child to school and attend classes with the child for one day.

When students have 3 unexcused absences, the school will notify the County Attorney requesting a first letter be sent to the child and/or the child's parent(s). The County Attorney will send a letter to the child and/or the parent(s) and mail a copy of the letter to the school authority who sent the request.

Habitual Truant

A "habitual truant" is a child under the age of 16 years who is absent from attendance at school without lawful excuse for one or more class periods on seven school days if the child is in middle or high school, or a child who is 16 or 17 years of age who is absent from attendance at school without lawful excuse for one or more class periods on seven school days and who has not lawfully withdrawn from school. A school district attendance officer shall refer a habitual truant and the child's parent or legal guardian to appropriate services and procedures, under chapter 260A. The school sends a letter to the County Attorney requesting mediation.

Tardy

When a student is late to school, the student needs to report to the office prior to entering class. A designated staff will determine if the tardy is excused or unexcused. The student may be subject to consequences as determined by ALC administration.

Perfect attendance

Perfect attendance indicates that a student has not been absent from school during a given period of time. We will not allow any variances from the policy. Perfect attendance awards are issued quarterly.

Behavior Guidelines: West Central Education District Area Learning Center has been established to meet the needs of a large variety of individuals. The safety and security of all who attend is vital in providing a quality educational environment. The purpose of the following Policy and Rules of Conduct is to clearly state our expectations of student's behavior and consequences for violations of the rules.

Students are entitled to fair treatment and recognition of their rights and privileges. In return, students are expected to pursue a suitable course of study, comply with the rules and follow the lawful authority of the school staff. The mutual aim of the school staff and students should be to create a sense of community where everyone is respectful of the rights of others and all may develop to their fullest potential. Students will earn recognition based upon their behavioral and academic performance.

Interventions to support Social Emotional Learning include, but are not limited to, yoga, Boys Town social skills instruction, chemical dependency counseling, relationship counseling, individual instruction/counseling on goal setting.

Credit recovery applies to courses that students have received a failing grade. Teachers and administration will review failing grades to determine the number of hours and coursework required for the student to receive a passing grade for the specified course. Credit recovery will be completed before or after school hours (until 3:00 PM unless other arrangements have been made between student, parent/guardian, and administration), at home or at school. Summer school will be an option for credit recovery for those students who passed all classes 4th quarter. Online learning will be an option for credit recovery.

- Passing Classes: successful completion of course requirements
- Incomplete Classes: the grade will be incomplete if a student has been absent and has not had enough time to make up the coursework that was missed (one day for every missed day plus one; i.e. absent 2 days would allow for 3 days to make up the work). Coursework not completed within timelines will result in a zero for the identified assignments.
- Failed Classes: failing a class results in credit recovery

Students who have not met graduation requirements according to their home district will have the opportunity to return to the ALC in fall as a "Senior Plus".

"Walking through graduation ceremony" is based on individual district policies. It is the responsibility of the student and parent/guardian to connect with their home district to review eligibility and expectations.

Due Process: The West Central Education District Area Learning Center strives to adhere to all due process required by State and Federal Laws. Special education due process requirements will be addressed at the ALC; including annual IEP meetings, progress reports, and 3-year evaluations when applicable. In the event a student receiving special education services violates school expectations, due process requirements will be addressed. In certain situations staff will convene to discuss the appropriateness of disciplinary actions and make modifications.

Emergency Contacts: It is required that all students must have a completed Registration Questionnaire, which includes emergency contact. Any changes to this information are the responsibility of the parent/guardian or student.

Emergency Procedures:

As part of our ongoing efforts to ensure the safety and security of students and staff, WCED has incorporated the strategies and techniques offered by the nation's most highly regarded training program: (ALICE (Alert, Lockdown, Inform, Counter, Evacuate). These research-based strategies and techniques help staff members proactively deal with the threat of an aggressive intruder or an active shooter event.

Fire: The signal for a fire is a continuous blast of the fire alarm system. Everyone must leave the building. Students and staff report to the parking lot/basketball court. Close doors as you leave. Wait until "all clear" signal from staff before re-entering.

Soft Lockdown: The signal for a lockdown is an announcement over the intercom system. In a "soft lockdown", everyone must remain in a locked room until an announcement is made by school personnel and/or law enforcement. No one will be allowed to enter a secured room. Entrance doors to the building are locked when the danger is within the community. Phones may be used by staff/teachers; not students. Teachers should continue teaching.

Tornado: The signal for a tornado will be announced over the intercom system. When you reach your shelter area, sit on the floor with your hands covering your head. An "all clear" announcement will be given when you are to return to your classrooms.

Evacuation:: The signal for an evacuation is an announcement over the intercom system. Everyone must report to the pre-designated evacuation site in an orderly manner, with his/her class. Keep away from the dangerous situations. Return to the classroom when instructed to do so.

Extra-Curricular: Contact your home district to participate in extracurricular activities.

Extra Help: The Area Learning Center is able to provide a learning environment with smaller class sizes which allows for frequent individualized interaction between teachers and students. Students can access additional help by seeking a conference to review needs and identify a plan of action which might include individual sessions before or after school. A teacher may request students to stay after school, on occasion, if it is apparent the student is having difficulties with his/her work or is not completing assigned work. It is our desire to help the student progress academically. Students qualifying for special education services will have access to special education services at the ALC.

Food: Breakfast/lunch is offered through the Melrose High School. Applications for free and reduced lunches are in the office. Turn in completed forms to the office. Current menu and prices are posted each week. Turn lunch money (checks payable to Melrose Public Schools) into the office before school starts. Students order and pay for breakfast and/or lunch by 9:00 AM. (Breakfast is ordered for the following day). A microwave is available for student use.

Students need to receive permission from staff to have food/beverages in classrooms.

Immunization Records: Parents are required to keep immunizations records up-to-date in the home district health file. Contact the home district nurse if you have questions regarding immunizations.

Internet and email: The Area Learning Center is a Google School. While enrolled, students will be issued a gmail account to communicate regarding school expectations; such as but not limited to, announcements, school assignments, and teacher/student feedback. Students are responsible for appropriate behavior on the school computer network. Communication on the network is often public in nature. General rules for behavior and communication apply. Access to the network is a privilege, not a right. Upon graduation, leaving the Area Learning Center, the gmail account will be disabled.

The following uses of email and internet are not permitted:

- sending/displaying offensive messages or pictures
- obscene language
- harassing/insulting others
- damaging computers/computer systems/computer networks
- violating copyright laws
- using another's password

Leaving Campus: Students need permission to leave campus during the school day. Permission is granted by checking in/out of the office. If a student leaves school grounds without parent/guardian permission, parent/guardian will be notified and the student is subject to a consequence as determined by the school administrator. If they are not able to be reached, law enforcement may be notified.

Lockers: Students are expected to put winter coats, backpacks, purses, and other items not needed for the classroom activity in their locker. Lockers assigned to students are the property of the school district and may be inspected at any time. Students may not switch lockers and are recommended not to share. Individuals are responsible for what is in their locker and how it looks at all times. The school is not responsible for lost or stolen items: it's best to keep your locker locked and not share the combination with others.

Lost and Found: The lost and found is in the office. Please turn items "found" to the office.

Medication: Nonprescription/over-the-counter (OTC) medications: The school will not provide OTC medications. If used, OTC medications must be in the original bottle with official container label and directions. The student's name will be legibly placed on a label in permanent marker, attached to the

bottle, not obstructing drug name, dose, official instructions, or expiration date. Parents will sign a permission form for school staff to administer OTC medication. Medication will be kept in a locked box in the office.

Prescription medications: The administration of prescription medication at school requires a completed signed request from the student's parent. A "Prescription Medication Administration" form must be completed annually and/or when a change in prescription or requirements for administration occurs. Prescription medication must come to school in the original container labeled for the student by a pharmacist in accordance with the law, and must be administered in a manner consistent with the instructions on the label. Prescription medications are not to be carried by the student, but will be left in the office. Exceptions to this requirement are: prescription asthma medications self-administered with an inhaler, and medications administered as noted in a written agreement between the school and the parents or as specified in an individual health plan. Medication will be kept in a locked box in the office.

Pledge Of Allegiance: In accordance with the state law, the Pledge of Allegiance will be recited weekly. Students choosing not to participate need not do so, but they must be respectful during the pledge. Students must respect another person's right to make that choice.

Removal of Student from Class: Teachers have the responsibility of attempting to modify disruptive student behavior by such means as conferring with the student, using positive reinforcement, assigning detention or other consequences, or contacting the student's parents. When such measures fail, or when the teacher determines it is otherwise appropriate based upon the student's conduct, the teacher shall have the authority to remove the student from class pursuant to the procedures established by this discipline policy. Report cards reflect an overall grade earned by students quarterly.

Act of 1974. Students will be notified of violations of the rules and resulting in disciplinary actions verbally except as provided otherwise by Pupil Fair Dismissal Act of 1974. Students with more than 15 disciplinary referrals during the school year may be required to attend a district meeting with parent/guardian, district administration/counselor, ALC administration, and ALC teaching staff.

Supplies: Students are required to bring a notebook and folder for each class, pens, #2 pencils, earbuds, and a box of kleenex. A calculator may be needed depending on the math requirement specific to the student. If a calculator is needed, a specific calculator will be recommended.

Textbooks/school materials are provided free of charge by the Area Learning Center. Students are responsible for the care of the materials that are issued to him/her. A charge will be made by ALC for any loss of books or for wear beyond normal use. Students will be required to pay for the replacement for any lost or damaged materials.

Suspension and Expulsion

In-School Suspension: Students who are on in-school suspension may not leave the building and will be under the supervision of staff at all times while on ISS status.

Out of School Suspension: Whenever a student is placed on Out of School Suspension status, a meeting between the student, parent/guardian, WCALC administrator or designee and referring teacher is required upon re-entry. At this meeting, conditions for re-entry will be established and become part of the student's Learning Plan.

Automatic Expulsion: There are certain rule violations, which mandate automatic and immediate expulsion from the WCALC. Pursuant to Minnesota Law, a student who brings a firearm, as defined by federal law to school will be expelled for at least one year. The school board may modify this requirement on a case-by-case basis.

This does not necessarily exclude a student from attending the ALC who has been expelled from any other school district.

Tobacco Free Grounds: West Central Area Learning Center 6026 is a tobacco free school district. This means that the use of any tobacco product or imitation will not be allowed by anyone on any school grounds. This includes the parking lot.. Individuals violating the tobacco policy will be subject to disciplinary action. Refer to Tobacco Policy for additional information.

Transportation: Students riding district transportation are subject to local district policies. If student loses bus privileges they are still obligated to attend school. Students who ride the bus/van to school must ride the bus/van home from school unless written permission is provided to ALC staff by 9:00 AM from parent/guardian. Students are not allowed to use district transportation services other than that provided by their own home district.

The transportation contract will be enforced until parent/guardian provides written notification on the change. Student drivers are expected to park in the school parking lot appropriately and follow MN laws regarding safe driving practices. Students not parking appropriately (such as, but not limited to, parking into the snowbank, blocking other vehicles) are subject to consequences such as a phone call to parent/guardian, student required to move car into appropriate parked position, and/or law enforcement notification.

Visitors: All visitors, including parents and former students, need to stop in the office, and sign in.
