

Donations for the Beacon Program

September 2019: Central MN Credit Union: Melrose, Sauk Centre, Albany, & Paynesville Branches, donated \$500 to put toward the purchase of 2 ipads. The ipads will be used for academic support, accessing social skills apps, video modeling, social stories, as well as exploring technology skills which we feel is critical for their success in developing skills as well as providing technology exposure to mirror experiences from their home district. THANK YOU Central MN Credit Union for this generous donation!

September 2019: Thanks to Albany Enterprise/Star Publications for the donation of cell phone card holders. They are a great addition to my student's Agenda Books to assist in organization! ~Vanessa Hoffarth, Beacon Program Teacher
