

Welcome to my web page!

Hello! My name is Barb Aanstad and I am a teacher at the West Central Area Learning Center. I have prior teaching experience at the ALC in Pine River-Backes as well as Sauk Rapids and Sartell school districts. I really enjoy working at the ALC and this population of students, so I feel fortunate to be a part of the WCALC.

I have a Bachelor's Degree from St. Cloud State University and received my Masters in Education from St. Mary's University. In my free time, I enjoy traveling, reading, camping, music, movies, and home improvement projects.
